

Upper Mississippi River Conservation Committee
Education Ad Hoc Meeting

Location: Radisson Hotel
La Crosse, Wisconsin

Date: March 24, 2009
9:30 am – 11:30am

1. Welcome and Introductions – Cindy Samples, Chair, Upper Mississippi River NWFR

2. Climate Change Connection with the Education Ad Hoc Committee

Prior to the meeting read:

UMRCC Position Statement on Climate Change at
<http://mississippi-river.com/umrcc/River%20Issues.html#10>

- *To participate in climate change outreach and education programs specific to the Upper Mississippi River.*

Discuss and decide if the Education Ad Hoc Committee can develop some of the outreach and educational material.

What curriculum is out there that helps teach Climate Change?

Can we create some river lesson plans for teachers?

3. Possible Projects for Education Ad Hoc Committee:

Watershed Poster

Habits and Habitats of Fishes in the UMR – update

Cell Phone tour expanded

Incorporate outdoor activity into everyone's daily lives discussion

Others:

4. Coordinators Report (as it fits Scott Yess' schedule)

5. Future Meetings/Conference Calls
